Celebrating Wetland Diversity Across the Landscape: Mountains to Mangroves

SWS 2017 Silent Auction Donation Form

Donation Instructions

The SWS 2017 Annual Meeting promises to be a prime educational and networking opportunity that will gather leading researchers, practitioners, policymakers and academics passionate about the advancement of wetland science. The meeting will be hosted at the Puerto Rico Convention Center in San Juan, Puerto Rico, June 5-8, 2017.

Thank you for your commitment to making this meeting a success through your generous contribution to the silent auction. Please complete one form for each item being donated. Send all items and forms to the address below by **Monday, May 1, 2017**. For large items requiring special handling, please email us the form and a photo and we will work with you for shipping arrangements.
